EMPLOYEE SPOTLIGHT

TED HENRY

What is your job title and how long have you been with the City of Bel Aire?

I am the new Director of Finance and Administration. I started with the City of Bel Aire in June of 2016.

What is your favorite part about working here?

Being new, I constantly introduce myself and ask questions. I'm overwhelmed by the kind and helpful nature of the City Hall employees, council members and citizens I have talked with throughout my first month. My favorite part is walking in to work with people who want to make their community great.

What do you like to do for fun?

My wife Rebecca and I welcomed our first child (Lucy Henry) on May 28, 2016. I have found that relaxing on the sofa with Lucy sleeping on my chest while watching a Royals game is hard to beat.

What is one thing you couldn't live without?

Besides my family, I couldn't live without playing a charity golf tournament once a year with a group of close high school friends. We treat it as a reunion and some have to drive or fly from all over the country to be there. However, a close second would be fantasy football draft day.

If you could go anywhere in the world, where would you find yourself?

In college, I was able to study abroad in Florence, Italy. While Italy is a beautiful country, you would probably find me in Munich, Germany at the Hofbräukeller Hall listening to live music and sipping on a beverage.
